Pest-Pro

Effective control of flying insects

Pest-Pro is pleased to introduce a range of commercial grade Insect Glue Board Traps, devised and engineered to be Safe, Hygienic and Effective.

Manufactured under strict Quality Control Guidelines, each unit is designed to look great and enhance value to your premises. Developed using the latest technology and best material for the most effective catch, trap and kill of flying insects.

HYGIENIC & SAFE – Pest-Pro E18 Sticky Fly Trap Killer is a discreet fly trap solution, with the dead flies being hidden, this unit is extremely sanitary and hygienic. Patented modern design, Pest-Pro E18 will not only eliminate Flying Insects but its décor will enhance and add value to your premises.
Flies get lured into the device by its bright UV light, and get trapped on the concentrate super glue board located inside the device. No High-voltage electric and no zapping sounds; eliminates flies quietly and out of sight. Safe to use 24/7.

Pest-Pro E18 is made Fireproof ABS Plastic with high-quality finish, featuring a BRIGHT 8 PIECES LED UV-A Light Bulb. It has amazing insect Luring Attraction range, coupled with an Anti-UVA and Anti Dry Concentrate Super Glue Large Surface Board.
